

## **Information Access Systems, Inc. Continues New Hire Growth for 2009**

### **Phil Heineman, Michelle Chandler, and Rick Hill Join Information Access Systems to Meet Increasing Customer Demand for Enterprise Content Management Solutions**

ORLANDO, FL, Dec 22, 2008 – Information Access Systems, Inc, a leading Systems Integrator specializing in Enterprise Content Management solutions, announced today that Phil Heineman, Michelle Chandler, and Rick Hill have joined the company to expand the company's project management and training departments.

"Information Access Systems continued growth and success requires that we secure the very best talent and most qualified employees to meet the needs of our customers," said David Godiksen, President of Information Access Systems. "Phil, Michelle, and Rick bring tremendous knowledge and will play a critical role in supporting the objectives of our growing customer base in the Government, Insurance, and Healthcare markets in 2009."

#### **Phil Heineman, Director of Solutions Training**

As Director of Solutions Training, Phil Heineman will use his 15 years of management, consulting and technical training know-how to help satisfy the ongoing business requirements of our customers. Heineman's background includes extensive experience delivering technology solutions, creation of new training programs for several Fortune 1000 companies, and managing strategic partnerships with industry giants such as Dell, Microsoft, and others. He holds a Bachelor of Science in Information Technology and numerous industry certifications from Microsoft, CompTIA, and Hyland Software.

#### **Michelle Chandler, Project Manager**

Michelle Chandler has been appointed Project Manager and will utilize her 17 years of experience to enable our clients to succeed in achieving their strategic business initiatives. Chandler is considered an industry expert in evaluating operational efficiency and employee productivity and has successfully managed both international training programs and domestic information security projects. Chandler holds a Masters of Business Administration, Advanced Project Management Certification from Stanford University and several technical certifications from Novell and Microsoft.

#### **Rick Hill, Project Manager**

Rick Hill has been named Project Manager and will employ his 14 years of in-depth project management, client relations and operational knowledge, to further the success of business process improvement initiatives by our customers. Hill's vast experience includes the planning, selection, implementation, and team management of a successful state-wide document management solution, GIS based asset management system, and an enterprise ERP re-engineering project. Hill holds a Masters of Community Planning and various industry certifications including Certified Project Management Professional.
