

PRESS RELEASE

Information Access Systems, Inc. Expands Executive Team: Appoints New Vice President of Sales and Marketing

ORLANDO, FL, Dec 8, 2008 – Information Access Systems, Inc, a leading Systems Integrator specializing in Enterprise Content Management solutions, announced today that Vince Hanson has joined the company as Vice President of Sales and Marketing. Mr. Hanson has more than 12 years of information technology experience, primarily in the software solutions industry. He brings a broad range of sales, project management, and product marketing expertise to Information Access Systems.

In his new role as Vice President of Sales & Marketing at Information Access Systems, Mr. Hanson will assume responsibility for managing the strategic sales growth, marketing planning, and new partnership opportunities for the company. “Vince’s dynamic experience in both business development and product marketing will be invaluable to his new role at Information Access Systems,” said David Godiksen, President of Information Access Systems. “His customer focused solutions experience and proven track record of success will be a great addition to the winning team at Information Access Systems.”

Before joining Information Access Systems, Mr. Hanson was Manager of Solutions Marketing at Ricoh America’s Corporation, a leading provider of document solutions. While at Ricoh America’s Corporation, he was responsible for the strategic development and successful expansion of the solutions software portfolio for North America. In addition, Mr. Hanson helped build and manage valuable partnerships with several award-winning software companies including, Print Audit, CREO/Intermate, XL Print Software, RF IDEas, and Equitrac Corporation.
