

## **Information Access Systems, Inc., Receives 2010 Platinum and Diamond Honors from Hyland Software**

### **Recognizes Partner's Ability to Exceed Customer Expectations and Simplify Paper-Based Processes with the OnBase Enterprise Content Management (ECM) Suite**

ORLANDO, Fla. - (PRWEB) Feb 19, 2010 – Hyland Software has awarded its highest awards, Platinum and Diamond Support Partner, to Information Access Systems, Inc., a leading Systems Integrator specializing in Imaging, Workflow, and ECM. The award reflects the long-standing partnership with Hyland and ongoing commitment of excellence in achieving exceptional customer satisfaction. Information Access Systems focuses on ECM solutions for the Government, Healthcare, and Insurance space, and was recently honored at Hyland Software's 2010 Worldwide Partner Conference.

“Organizations today need more than a proven technology solution, they need a proven and stable vendor to provide and support it,” said David Conley, Director of U.S. Channel Sales for Hyland Software. “To achieve this, we hold all of our partners to the highest standards of quality and professionalism. During the past year, Information Access Systems went above and beyond the benchmarks, making the Platinum and Diamond honors well-deserved.”

“We are honored to receive these awards and appreciate Hyland's support and recognition of our dedicated and talented employees,” said David Godiksen, President of Information Access Systems. “Hyland's partnership has been a vital component to the success of our business for more than a decade. Their leadership and innovation ensures that IAS can continue to deliver best-in-class solutions to our customers. We look forward to another successful year with Hyland in 2010.”

Hyland's Platinum, Gold, and Diamond awards are presented annually to channel partners who have achieved excellence in developing and implementing solutions with the OnBase ECM software suite. Information Access Systems, Inc., was recognized by Hyland as the number one Government Sales Partner in 2006, 2007, 2008, and 2009.

#### **About Information Access Systems, Inc.**
